He moves, like an angel,  
gracefully, elegant, so sexy,  
he talks , intellectual,

but when he is loving,  
I am pulled down, pulled down,  
and when he's not so loving,  
I am dragged down, dragged down,  
Chorus  
going way down  
He looks like a Greek god,  
masculine, handsome, so radiant,  
he thinks, like a general,  
strategy, maneuvers, and some retreats,  
but when he is pissed off,  
I am sucked down, sucked down,  
and when he's not so pissed off,  
I am forced down, forced down,  
when he's happy, I am dragged  
unconscious,  
when he's violent, it's all my subconscious  
when he's buried, la la la la la la !!!!!

more creeps, a brother, just jive, bling-

Before you, my life was,  
like Eden, pastoral,  
just like Eve, no trauma,  
confusion,  
then you walked in, that stupid grin,  
stubby chin, skinny as sin, slacker,

how could I know, could anyone know,  
that it would lead to disaster.  
Before you, my heart was,  
so giving, so generous,  
like Mary, immaculate, so trusting,

your country kin,  
your druggy friends,  
one drinking binge, too many,  
never employed, a mama's boy,  
all was a ploy, free room and board,
